- Koo Hoon Young
(Dr. of Business Administration,
Professor at Chungnam National University)

01 Global SQ Research Institute

Introduction

The Global SQ Research Institute is the first SQ research institute in Korea that developed and commercialized an online SQ test system. Through SQ research, education, dissemination, and training of experts, we provide solutions to many problems that modern society cannot overcome, and contribute to the creation of a person and a society that has been restored in its original form. This is because SQ is a fundamental function of human beings by pursuing fundamental values for human existence, life, happiness, etc.

02 Major tasks of Global SQ Research Institute

Major tasks

03 SQ - Human Fundamental Intelligence

What is SQ?

SQ is the fundamental intelligence that makes humans human. SQ distinguishes from IQ and EQ. IQ refers to the ability to solve logical problems, and EQ refers to the ability to act properly according to the situation, while SQ refers to the ability to pursue the fundamental values of life, happiness, etc. SQ is the basis for the formation of IQ and EQ and can be said that this is an intelligence that unites all human intelligence.

04 SQ and Neural Combination

Major tasks

05 SQ Qualification Education

SQ Qualification Education

SQ Professional Qualification Education is designed to train experts who can develop global talents that contribute to the development of families, nations and the world by recovering human nature and drawing out infinite potential through SQ, the latest theory of intelligence.

06 Who is the SQ instructor?

A person who has received an SQ instructor certificate with practical experience in areas related to SQ and other qualifications

07 SQ Program

Summary

The SQ Program was developed by the Global SQ Research Institute to help young people develop the right character, career guidance and potential, and is an educational program consisting of improving SQ.

10 Media Report

Global SQ Research Institute developed 'SQ Inspection System and Improvement Program' for the first time in Korea

Input: 2016.06.21 17:55:01 | Correction: 2016.06.21 17:55:03

Global SQ Research Institute (Director Kim Jin Ho) announced that for the first time in Korea, the 'SQ Inspection System and Improvement Program' was developed and commercialized as part of a joint study with Professor Kim Ki Moon from Chungnam National University.

Through a joint research conducted with Professor Kim Ki Moon from Chungnam National University in 2014, the Global SQ Research Institute proved that SQ (Spiritual Quotient) has an effect on improving grades and happiness through IQ and EQ. Studies have shown that SQ improves grades through IQ and EQ, and can also increase happiness.

Kookmin Ilbo

Global SQ Research Institute, SQ career education program proceeds with Seoul Office of Education

Input: 2018.07.06 12:36:00

The Global SQ Research Institute announced that it had decided to conduct the SQ career education program for elementary, middle and high school students in the Seoul Office of Education. As the career education program developed by the Global SQ Research Center and currently in progress at elementary, middle and high schools across the country is gaining great response among teenagers, the Seoul Office of Education also decided to introduce the program to front-line schools and receive applications from schools that want education.

Seoul Economy

The SQ Global Research Institute programme to improve SQ received a strong response from youth

Input: 2016.12.12 16:23:23

The SQ Improvement Program, conducted by the Global SQ Research Institute (Director Kim Jin Ho), has become a hot topic, as it elicits a great response among teenagers. The SQ Improvement Program was developed by the Global SQ Research Institute to help young people develop the right character, career guidance and potential, and is an educational program consisting of an exam and SQ improvement.

Kookmin Ilbo

Global SQ Research Institute conducts SQ career guidance camp at Yosu Education Centre

Input : 2017.08.29 14:39:15

On August 28, the SQ Career Guidance Camp was held in the main audience of the Yosu Education Center. Fifty secondary school students in Yosu were selected by the support office and a career camp was held by the Global SQ Research Center. The camp was organized by the Yosu Education Center to cover such details, including fees for the SQ test, educational materials and lunch for students.

Kookmin Ilbo

The Global SQ Research Institute was selected by the Ministry of Education as the best institution in the field of donation for education in 2017

Input: 2017.11.03 11:02:00

The Global SQ Research Institute (Director Kim Jin Ho) was selected by the Ministry of Education as the best institution in '2017 Education Donation Institution Certification System' by the Ministry of Education. The Certification System for Excellent Educational Institutions in the Field of Donation for Education is a system in which the Government sets exemplary standards of practice for public education and designates institutions that achieve them through examinations in order to improve the competitiveness of public education by providing different experiences for preschool, elementary and middle school students.

Seoul Economy

Global SQ Research Institute conducted SQ career education at 152 elementary, middle and high schools in 2018

Input: 2018.07.16 18:30:00

The Institute announced that 152 schools across the country have applied for the SQ Vocational Education Program, as a result of the implementation of the SQ Career Education Program, through official documents from various regional educational departments, including the Seoul Education Administration, the Daejeon Education Administration, the Gyeonggi and Gyeongnam Education Administration.

Global SQ Magazine

Global SQ Research Institute implements SQ improvement program in collaboration with Busan City Education Center

Input: 2017.03.27 14:43:18

In cooperation with the Global SQ Research Institute, the Busan City Education Centre introduced the SQ improvement programme in local middle and high schools in the region, such as after-school classes, a free semester system and club activities, and issued an official letter for application for participation.

Global SQ Magazine

Global SQ Research Institute conducts career and character education training with Chungbuk Office of Education

Input : 2017.01.27 14:41:19 | Correction : 2017.04.01 09:09:36

The Chungbuk Office of Education sent an official letter to all middle and high schools in the region, to introduce the SQ improvement program.

Global SQ Magazine

The SQ Improvement Programme was selected as a public offering project by the Jeonbuk Office of Education

Input : 2017.04.04 02:43:34 | Correction : 2017.04.04 11:36:30

In 2017, the SQ Improvement Program was finally selected as a public offering project for a resident bid competition conducted by the Jeonbuk Office of Education. On the 3rd, Jeonbuk Office of Education reported that a total of 129 projects were publicly offered, and after preliminary screening, 67 projects were first selected, and that the final 42 projects were selected through online and mobile voting and evaluation by the Residents' Participation Budget Committee.

Global SQ Magazine

Global SQ Research Institute approved and registered SQ-related program at the Ministry of Education

Input: 2017.03.27 14:39:15

The Global SQ Research Institute announced that the Ministry of Education had approved 5 SQ-related programmes and registered them as education donation programmes. The five programs approved by the Ministry of Education are the SQ Training Program for Young Leaders, the SQ Improvement Program, the SQ Club Mentoring Program, the SQ Career Guidance Program and the Personality Development Program.
